Re: Cuesta v. Alpha Shoe Repair Corp.
20-cv-10368 (SHS)

Dear Judge Stein:

Plaintiff requests to adjourn the initial conference scheduled for March 2, 2021. I apologize for the belated request and I recognize it is unacceptable. This is Plaintiff's second request to adjourn the conference. The basis for the request is that we were finally able to serve the individual Defendant Jairo Cardenas in this matter. *See* dkt 14.

Again, I recognize that the timing of this request is unacceptable and I promise the Court that it will not happen again. In order to give Defendants time to obtain an attorney, I request that the Court not order the initial case conference until mid-April.

On behalf of my client, I thank the Court for its consideration.

Respectfully

/s/ Jacob Aronauer

The conference is adjourned to April 20, 2021, at 10:30 a.m.
